

Affordable Conference Facilities on your Doorstep

The conference centre at North Mersey Business Centre offers exactly what you and your business require for any type of event, including all the latest meeting and digital conferencing facilities within a contemporary, relaxed environment.

Our facilities are diverse and flexible and we are confident that we can provide everything you need to make your event successful and hassle-free.

The conference centre has its own staff who are dedicated to providing a superior service and are on hand to deal with any requirements you may have throughout your event.

North Mersey Business Centre
Woodward Road
Knowsley Industrial Park
Kirkby

Email: admin@knowsleytrust.org

We have five separate rooms in varying sizes and layouts that can cater for every event requirement. The smallest facility available is one of the boardrooms which has the capacity for up to twelve delegates, with the largest being the main conference suite which can cater for up to fifty delegates at tables or seventy in a theatre-style layout.

Each individual room contains the following at no additional cost:

- Digital Projector and Screen
- Numerous Power/Computer Sockets
- High-Speed Broadband Wi-Fi Connection
- Air Conditioning
- Flip Charts and Pens
- Stationary Packs
- Television
- DVD and VCR Players
- Wheelchair Access and Assistance

To fully appreciate the extent of the facilities we offer, please contact us to arrange a visit by calling Denise Mottram on 0151 5472391 or contact the business centre via the contact details below.

We can arrange refreshments to suit your needs ranging from tea, coffee and biscuits to a full hot or cold buffet to be chosen from our diverse menu.

We have extensive free parking within the site which is served by 24-hour manned security meaning access is available at any time, including evenings and weekends. Alternatively, transport can be arranged within the local area due to our partnered transport organisation, Your Travel Borough Wide which is also located on site.
